Montana Prevention

Montana Prevention Continued

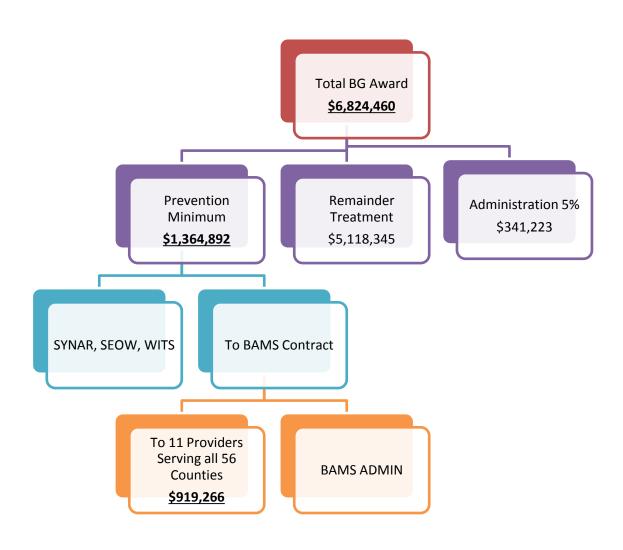

Block Grant Priorities

- 1. Consumption: **Binge Drinking** (birth to death with an emphasis on youth)
- 2. Consequence: **<u>Drinking and Driving</u>** (birth to death with an emphasis on youth)
- 3. Be responsive to **newly identified issues** as they arise.

Montana Funding BG

- Substance Abuse Prevention and Treatment Block Grant (SAPT BG)
- Allocated by Congress and overseen by HHS who tasks SAMHSA to administer the grant federally
- This grant is non-competitive
- Awarded to county commissioner approved providers

Montana BG Award

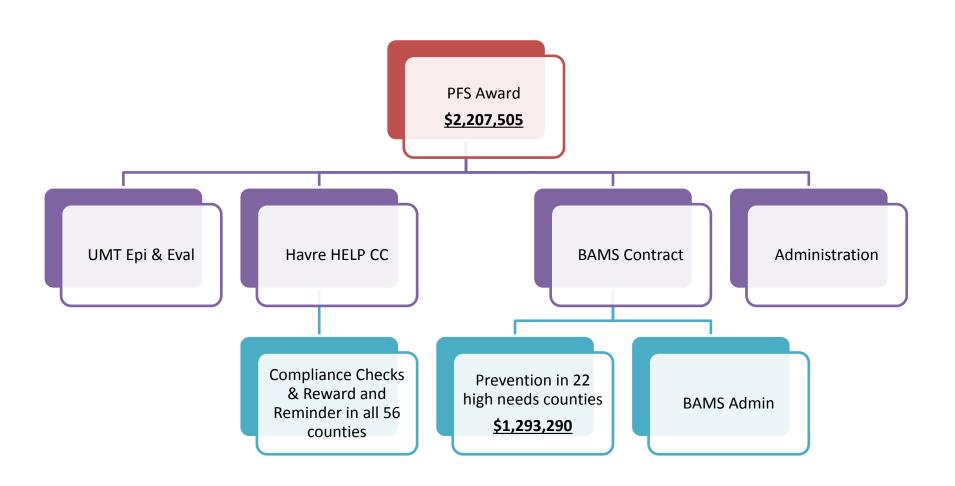

Partnership For Success Priorities

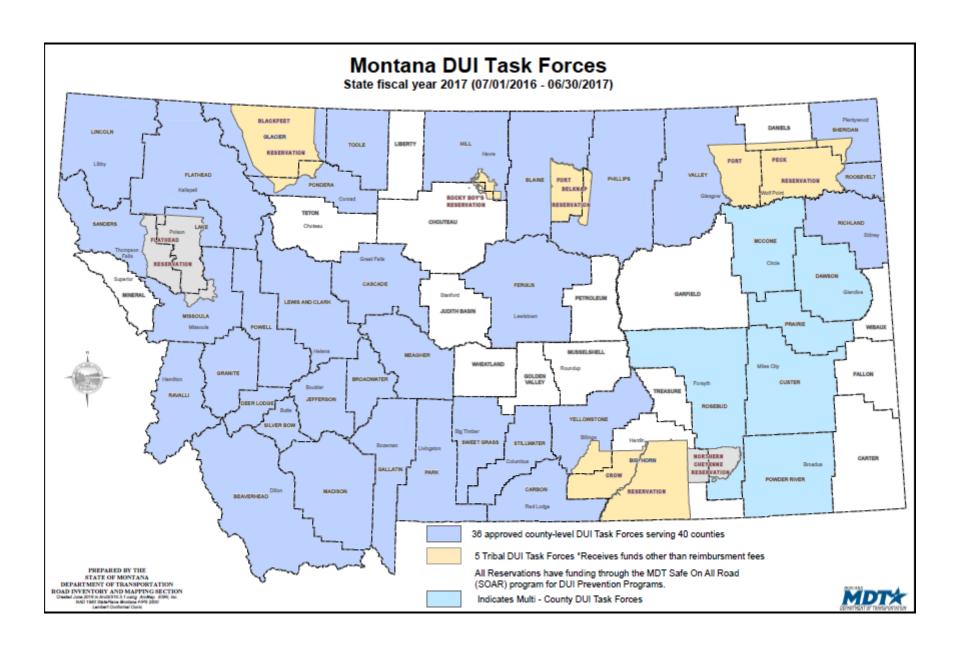

- Underage alcohol use among 12 20 year olds
- 2. Binge Drinking
- 3. Prescription drug abuse among 12 25 year olds

Montana Funding PFS

- Partnership For Success Strategic Prevention Framework Grant (PFS)
- Allocated by Congress and overseen by HHS who tasks SAMHSA to administer grant Federally
- Discretionary grant = Competitive application
- Awarded in 2013 and runs through September 30th 2018
- Only entities that were SPF SIG grantees are eligible
- 22 communities in Montana including 6 Tribal Reservations

Montana PFS Award

Montana Code Annotated 2015

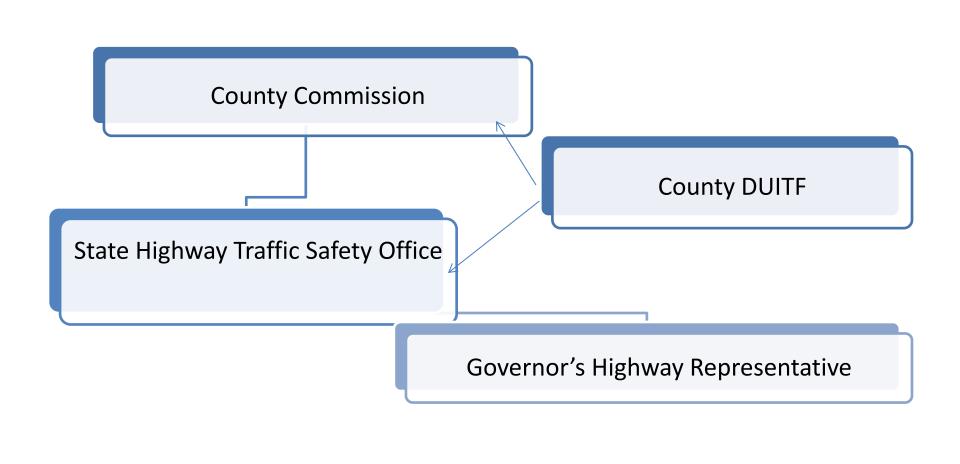

61-2-105. Local Programs

61-2-106. County drinking and driving prevention program

Montana Code Annotated 2015

61-2-107. License reinstatement fee to fund county drinking and driving prevention programs.

61-2-108. Funding allocation for programs to prevent or reduce drinking and driving
